## Welcome to week 1, Term 1!

It is so lovely to see all of our students back here with stories of holiday adventures to share. The classes are calm and happy as I walk through, hearing discussions about school and class values, how to set up their bookwork and what their goals might be this term. It is all happening!

This will be short, sharp and shiny as my email earlier in the week had everything in it that you needed to know to start off the term. Please let me, the office staff or your child's teacher know if you have any questions or concerns – we are always happy to help!

I would like to take the opportunity to welcome some new faces to the school. I hope that Chase, Sophie, Kori, Layla, Nash, Jett, Mia, Brayden, Oliver, Zade, Misty, Jaidyn, Jahzara, Josh and Kaylee have an amazing first week and enjoy their learning journey with us at Compton Primary School.

Please keep an eye out for an invitation to this year's Open Classrooms/ Community tea/ AGM night. We would love to see you there!

## Learning Quote of the Week

I remember what perseverance means – it is when you keep trying and you don't give up even if you fail.

## Pastoral Care

Welcome to all our new families and returning families.

I hope you all had a great break over Christmas/New Year.

My role within Compton Primary School encompasses a holistic approach to nurturing the wellbeing of whole school communities (students, staff and families) providing pastoral and practical support in times of need.

I am here to provide practical and compassionate, confidential, pastoral support throughout the school community. I work closely alongside Bec – Compton Primary Principal by developing connections with community services and agencies, and supporting emotional, social well-being of our school community.

Schools Ministry Group is my oversight, who work closely with the SA Department for Education as a Service Provider for the National Schools Chaplaincy Program in South Australian Schools by employing and engaging Pastoral Care Workers.

You can contact me via front office or Bec Keeley.

My regular days – Wednesday all day, Thursday mornings.

For more information please pick up a brochure at the front office- that explains my role in more detail.

### ★ UPPER PRIMARY 6/7 ★

A big welcome back to our year 6/7s for your very last year of primary school! I am so excited to get to know you all. We have a busy couple of weeks planned in the Upper Primary class, beginning with quality start. We will spend this time setting up subjects, expectations, building relationships and taking a look at what is to come over the year.

This term in maths, students will be focusing on place value and number. In English we will be looking at the 7 steps to writing success to assist us in creating narratives.

If you ever need to catch up with me, please send a Dojo message or book a time to come in! I look forward to a fantastic term 1!

Miss Gaffney

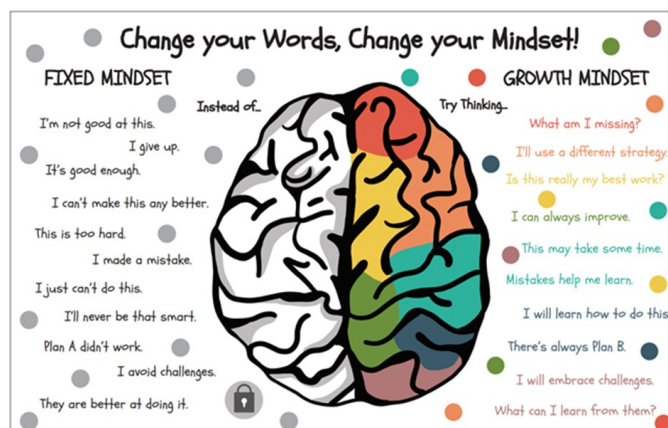

### ★ MIDDLE PRIMARY 4/5 ★

Welcome back to school!

The Middle Primary Class for 2021 are excited to be back. We are ready for a new year of learning challenges and we are looking forward to achieving our personal goals.

During the first two weeks back at school our class will be setting our new classroom up for a successful year. We will be exploring the Compton School values and the importance of having a growth mindset. You might like to have a chat with your child over the next few weeks to find out more about our school values and what it takes to have a growth mindset.

Mrs Buckley

## ★ JUNIOR PRIMARY 2/3 ★

Welcome back to another school year full of fun and learning experiences. How blessed I am to be working with your children. They are a beautiful class of learners and am excited to take them on their own personalised learning journey for 2021. This year's theme in the 2/3 class is 'We are a rainbow of possibilities'. We all have a piece of a rainbow which we are colouring and can't wait to see the finished product to display in our class. Our class has been working on setting our expectations and setting up to have a successful year. We have revisited safety rules, why we have rules and the rules for success in our classroom.

Our class has made a prediction about what our class creature might look like and name could be. Children have drawn their creature in their Home Communication Books, which will be coming home in the next couple of days. We all can't wait to meet our class creature and name it as a class. We will be reading and the picture book 'Your Teacher's Pet Creature', as it helps and supports with our classroom guidelines.

Looking forward to 2021 with your beautiful child.

Mrs Dx
