Term 1 31st Jan – 14th April **Term 2** 2nd May – 8th July
Term 3 25th Jul – 30th Sept **Term 4** 17th Oct – 16th Dec

GIVEN TO STUDENTS

2022 Consents review

Welcome to week 7!

I hope everyone had a lovely long weekend.

AGM

All parents are welcome to our AGM which is being held on **Monday the 28th of March** – week 9. Our main items of business are sharing our last Annual Report, talking about our current Site Improvement Plan and meeting our school captains. This will then lead into a Governing Council Meeting for current members and those who wish to join. A registration form will be attached to the newsletter or you can fill one in on the night. Please note that new requirements call for members to be fully vaccinated to be able to join us for onsite meetings. Please note that there will be **no** open classrooms, family tea or babysitting during the AGM this year.

Interviews

Teachers will be holding three ways interview with students and their families in week 10. Appointment times will contain morning and afternoon slots on Tuesday 5th, Wednesday 6th and Thursday 7th of April. Please note that it is 'first in, best dressed' for time slots as we do our best to make sure families have consecutive sessions. **We ask that all families make an appointment** to check in with teachers about how your child/ren has settled in and their learning so far. If you would prefer a phone appointment, please indicate on the reply form which will be coming home soon.

Well-Being Survey

Please see attached information regarding the annual Year 4-6 Well-Being Survey.

Fundraiser

Thank you to the families who dined out (or ordered takeaway) at the Blue Lake and Bistro for our fundraiser we raised **\$330** as **66 meals were ordered**. Thank you also to our families and friends who donated gifts and who bought and sold raffle tickets for the

night. We raised **\$550 for our raffle**. Special thanks goes out to all the local businesses who helped make the raffle possible:

Around the Classrooms

UPPER PRIMARY 5/6

In Maths we have been learning about prime, composite, square and triangular numbers. This week we begin our new unit, where we will be learning all about fractions!

In History we have been learning about the history of when Australia was colonised. In P.E. we continue to work with the ¾ class on practicing our tennis skills.

This term we have been learning about the importance of descriptive writing in our narratives. Last week students taste tested different types of food (chips, chocolate and grapes) and had to describe the taste in their writing. Here are some of our amazing examples!

DESCRIPTIVE WRITING- 6 SENSES (TASTE)

LEARNING INTENTION: TO SUCCESSFULLY USE LANGUAGE FEATURES TO ENGAGE THE AUDIENCE.

Learning Intentions
☐ Working Towards
☒ Achieved

I will know I have been successful when...			
I have used my dot points to support my descriptive paragraph.	I have used a range of adjectives to describe the taste.	My writing paints a picture.	I have not named the food within the descriptive paragraph.
I have attempted to use one or more literary techniques e.g., simile, metaphor	I have thought outside of the box with my word selection.	I have attempted to describe the food as if the reader has never eaten it before.	I have edited my work to check for punctuation.
Name of food: <u>Grapes</u>	Name of food: <u>Chips</u>	Name of food: <u>Chocolate</u>	
Dot points to describe the food: • Squishy • Juicy • Sweet • Soft	Dot points to describe the food: • Soggy at the top • Crunchy • Salty • Stuck to my teeth	Dot points to describe the food: • Sweet • Hard • Melting • Smooth	
Descriptive paragraph: I am in heaven! As I placed the juicy fruit in my mouth. It was the most delightful thing in class.	Descriptive paragraph: What soggy how... it actually <u>doesn't</u> matter! CRUNCH! Why so salty it was so amazing.	Descriptive paragraph: As I placed the delicious food in my mouth I didn't know where I was! It was like paradise.	

MIDDLE PRIMARY 3/4

Hello everyone and welcome to week 7!

We have been busy in maths placing 4-digit numbers on a number line and writing number sentences.

In English we are finishing off writing our Personal Narratives. Students have worked hard creating watermelons that have turned into more descriptive seeds!

We are very excited to soon share our recycled bags with everyone! Students are creating bags out of recycled materials from their homes!

Mrs Kramins and the 3/4 class

JUNIOR PRIMARY 2/3

On Tuesday 22-2-22 'Twosday' the 2/3 class enjoyed their learning on this special occasion.

When we said that Twosday is a "once in a lifetime" event, we weren't lying.

There won't ever be another opportunity to have such an aesthetically-appealing date again.

1/11/11 and 11/11/11? Done and dusted.

3/33/33? No way, there can't be 33 days in a month! That leaves us with 2/22/22 – and it's time to make it one to remember.

At 2.22pm children had a dance party for 22 minutes and 22 seconds.

Miss Gaffney

Mrs D

On Friday afternoon our class invited the R/1 class into our daily Mindfulness practice. We brainstormed as a class what Mindfulness is and what it looks, feels, and sounds like.

Feels like

Snow but is quiet
Relaxing
Relaxes your body
In your own space

In bed sleeping
Calming down
Cosy

Silence with music
Peace and quiet

Sounds like

Peaceful music
Breathing

Looks like

Laying down
Eyes are closed
Patterns on board

Lights are off
Dark with fairy lights
Everyone relaxed

Mrs D and Miss H

Thank You

CPS would like to say a massive thank you to everyone who kindly donated to our raffle. Everyone had a great dinner last night and congratulations to our 10 lucky winners.
