Welcome to Week 11!

We hope that all of our families had a wonderful Easter break.

Welcome and farewell!

We would like to welcome back a familiar face to our staff next term. Ross MacKenzie will be replacing Mrs Buckley as she goes on maternity leave. We wish Alice all the best for the birth of her new baby and look forward to Ross returning to Compton.

Survey

In Term 2, students in years 4-6 will be able to participate in the annual Wellbeing and Engagement Collection survey. The WEC asks students about their views on wellbeing and engagement with school. The WEC provides the government and schools with information to support improving and maintaining students' health, happiness, wellbeing and relationships. It gives schools, the community and government an insight into what needs to happen to make sure students experience success and are provided with resources and opportunities to reach their full potential. Please see more information in the attached letter.

Year 4/5

Happy last week of the term! We hope everyone had a lovely little break over Easter.

In Music, we have just finished creating a story with body percussion and musical instruments. We had some fantastic stories about Santa, horse riding, car crashes, morning routines and bank robberies. All student's did such a fantastic job portraying sounds.

We are looking forward to our last week before holidays finishing up some units of work.

We hope everyone has a lovely break and we will see you Term 2!

Last week students enjoyed working on Multiplication facts of 10s, 2s and 5s Easter hunt. Children looked around the classroom to find the eggs and then work out the answer. Children wrote the equation and if they got it correct, they coloured in the answer in the basket. This week we will finish off with more hunts with challenges of division and multiplication facts.

Children enjoyed sports day and working on the goals they had set for the day. Children revisited their goals and wrote about if they were achieved, what their favourite activity was on the day and wrote a recount piece of writing from the event.

Wishing you all a safe and happy Easter with your family and friends.
