12. Further Comments

- Compton Primary School aims to provide a high quality education where all children in our community can achieve their goals in a safe, nurturing and intellectually creative and collaborative environment. We encourage a love of learning, a strong sense of self, respect for others and the desire to become good global citizens. We promote independence and responsibility as we guide our students towards a positive future.
- It has the advantage of being a small school but situated very close to a major city with all that cities offer.
- Enrolments over the past ten years have increased and the trend looks to continue. New residential development allotments have opened up down the road from the school.
- The schools **VISION:**
At Compton Primary School, we are committed to shared values and strong partnerships between staff, parents and children. We aim to empower our students with skills for life-long learning and support them to become confident individuals. Respect, Perseverance, Resilience, Kindness.
